APPLYING FOR THE WE SUPPORT D.O. SAIMAA NETWORK

We support D.O. Saimaa is a network of D.O. Saimaa restaurants.

D.O. Saimaa is a label of origin and quality which is granted on application to food producers or processors. The aim of the D.O. Saimaa label is to communicate to users that the food and ingredients have been produced in accordance with high gastronomic and responsibility standards in the Saimaa region.

By filling in this form, you let us know which D.O. Saimaa producers' products you use in your company and how much. Based on the given information, we will divide the network members into either five or three star partners. The breakdown is based both on how many D.O. Saimaa products you use and how regularly you use them.

Please fill in all fields carefully. For example, if your company has more than one restaurant, please complete the form separately for each restaurant. In that case, it is sufficient to answer all the questions once and for the other restaurants or units of your company, the questions relating to D.O. Saimaa products only.

Please return the completed application form to the Registry of the South Savo Regional Council by email at kirjaamo@esavo.fi
